KNOWLEDGE IS POWER, BUT TRUTH IS THE FOUNDATION OF KNOWLEDGE

Mark Twain at Niagara. Niagara Falls is one of the finest structures in the world. I have been visiting this favorite watering place recently, for dry times." Common law takes prece the first time, and was well pleased.

A gentleman who was with me said it was customary to be disappointed in the Falls, but that subsequent visits were sure to set that all right. He said it was so with him. He said that the first time he went, back fares were so much higher than the Falls that the Falls appeared insignificant. But that is all regulated

The hackmen have been named, numbered, and placarded and blackguarded, and brought into subjection to the law, and accontrement. and dosed with moral principle till they are as meek as missionaries.

Grades given, either by Contract or by Day Work the Regulars and the Privateers, and ning toy figures representing human bethey employ their idle time in warning ings who carried their weapons in holes. About ninety-nine or a hundred feet addition to this the carpet industries tral grounds and pick off stragglers at was going to come face to fee with the loose.
